

# Certificate of Presentation (or Participation) ICGHIT 2024

Step 1. Log-in Edas System and click "My... → My papers" menu.

The screenshot shows the website header for the 12th International Conference on GREEN AND HUMAN INFORMATION TECHNOLOGY, Jan. 23 – 25, 2024 / Hanoi, Vietnam. A navigation menu includes Home, Papers, People, TPC, Reviews, Conference, Sessions, Register, Travel grants, My..., and Help. The 'My...' dropdown menu is open, showing options like My profile, My papers, My reviews, My TPC, My chairing, My awards/achievement, and My areas of interest and CPE topics. The 'My papers' option is highlighted. Below the menu, the section 'Conferences and journals containing my papers' displays a table of papers. The table has columns for Conference, Paper title (details), Status, Edit, Add and delete authors, Withdraw or unwithdraw, Session, Visa letter, Certificate, Final manuscript, and Stamped for attendee proceedings. The first row is highlighted in green, indicating an accepted paper.

Conference	Paper title (details)	Status	Edit	Add and delete authors	Withdraw or unwithdraw	Session	Visa letter	Certificate	Final manuscript	Stamped for attendee proceedings
ICGHIT 2024	A Cross-Layer PID-Based Clustering Protocol to Support QoS Routing Protocol in Flying Ad-Hoc Networks	Accepted				W0: Workshop - SAC2 2024 chaired by Byung-Soo Kim % from Tue, January 23, 2024 14:20 +07 until 15:50 (5th paper) in Room C (13.0 min)		CERT	until Dec 31, 2023 09:59 America/New_York	
ICGHIT 2024	Federated Learning-Based Clustering Protocol to Support QoS Routing in Vehicle Edge Computing	Accepted				W0: Workshop - SAC2 2024 chaired by Byung-Soo Kim % from Tue, January 23, 2024 16:10 +07 until 17:40 (2nd paper) in Room C (13.0 min)		CERT	until Dec 31, 2023 09:59 America/New_York	
ICGHIT 2024	Exploiting Security Performance of RIS-Assisted Networks: Deep Learning-Based Evaluation	Accepted				W0: Workshop - SAC2 2024 chaired by Byung-Soo Kim % from Tue, January 23, 2024 16:10 +07 until 17:40 (5th paper) in Room C (13.0 min)		CERT	until Dec 31, 2023 09:59 America/New_York	
ICGHIT 2024	The Security Performance of RIS-Assisted Multi-Hop Transmission for Polar Regions Environments	Withdrawn						CERT		
ICGHIT 2024	The Security Performance of RIS-Assisted Multi-Hop Transmission for Polar Regions Environments	Accepted				W1: Workshop - SAC2 chaired by Soo-Hyun Park % from Tue, January 23, 2024 09:30 +07 until 11:00 (2nd paper) in Room C (13.0 min)			until Dec 31, 2023 09:59 America/New_York	

Step 2. Click Paper Title (details)

The screenshot shows the same website header and navigation menu as in Step 1. The 'My...' dropdown menu is closed. The 'My papers' section is active, displaying the same table of papers. The first row is highlighted in green, indicating it is selected. The table structure is identical to the one in Step 1.

Conference	Paper title (details)	Status	Edit	Add and delete authors	Withdraw or unwithdraw	Session	Visa letter	Certificate	Final manuscript	Stamped for attendee proceedings
